TAMOTSU KAWASAKI

October 9, 2019

1 Mr. Timreza had used the N-word towards him?

2 **A. Correct.**

3 Q. And you also recall that other people told you  
4 that they had heard racial terms used; is that right?

5 **A. Correct.**

6 MR. ARANEDA: Objection, misstates his  
7 testimony.

8 BY MR. ORGAN:

9 Q. Did -- did anyone ever tell you -- anyone  
10 else -- other than Mr. Diaz -- tell you they had also  
11 heard the N-word directed towards Mr. Diaz?

12 **A. I don't remember anybody else telling me that**  
13 **the N-word was directed towards him. I mean, it's -- we**  
14 **live in that era where that words is very -- throw**  
15 **around very casually.**

16 Q. Right. But in terms of workplace policy at  
17 the Tesla factory, people were not supposed to use the  
18 N-word there?

19 **A. Correct. That's any workplace.**

20 Q. Right. Whether people use the word  
21 casually -- in their everyday life or not -- is  
22 irrelevant, relative to the workplace, right?

23 **A. Correct.**

24 MS. JENG: Objection, calls for a legal  
25 conclusion.

1 is 3:35.

2 (Off the record at 3:35 p.m. and back on  
3 the record at 3:37 p.m.)

4 MR. ORGAN: Okay. We're back on the record.  
5 The time is 3:37.

6 BY MR. ORGAN:

7 Q. Did -- when you were walking around the  
8 facility, did you ever hear anyone using the N-word,  
9 even if you can't identify them, did you hear that word?

10 A. I mean, I heard it all the over the facility.  
11 I mean, it's -- there's a bunch of staffing companies,  
12 man. I mean, you had -- you had a range of people, man.  
13 Staffing companies hire -- you go to a staffing company  
14 because you can't get a job, per se, like a -- I guess a  
15 real person or whatever, you have a background, whatever  
16 it is. I mean, we filtered through a lot of people.  
17 I'm not knocking people for what they do, but it's a  
18 staffing agency, per se. So you got a wide arrange of  
19 people.

20 Like I said, in our age, that word gets thrown  
21 around very causally. Now, if you -- there is tones the  
22 way you say it and what it is, but -- I mean, I've heard  
23 it thrown around there, yeah.

24 Q. How -- how often do you think you heard the  
25 N-word at the Tesla factory?

1 at NextSource?

2 A. No. I -- what -- what do you mean by that?

3 You got to rephrase that.

4 Q. Sure. Was anyone at NextSource informed of  
5 the incident between Mr. Ramon Martinez and Mr. Owen  
6 Diaz?

7 A. Not by me. I don't -- I can't tell by anybody  
8 else but not by me. I didn't -- don't have -- don't  
9 know anybody at NextSource or e-mail chain.

10 Like I said, my e-mails always went to Victor,  
11 Jaime and Ed, when Ed came. Before that, it was Victor  
12 and Jaime.

13 Q. You testified that you heard the N-word thrown  
14 around, but you did not think anything of this.

15 What did you -- what did you mean by that?

16 A. It -- I mean, I drive around the building,  
17 people are -- whatever, they're on break, they're in the  
18 cafeteria, they're joking around with each other, you  
19 know, they're saying the N-word to each other, maybe in  
20 a cool way or whatever to them, whatever it is.

21 I -- just -- it -- it didn't recollect to me  
22 that that wasn't right or I should say something or  
23 whatever. It -- like I said, that had nothing to do  
24 with me. It wasn't hurting me, it wasn't hurting my  
25 people in doing their job. They weren't my employees.

1     It didn't affect me. So I just thought nothing of it.  
2     It's like walking down the street right now hearing  
3     somebody saying it. You're not going to think twice,  
4     you're not going to stop.

5           Q.    Did you -- did you -- did you think nothing of  
6     it because you heard it sort of more of a greeting  
7     between people? Is that what you're saying?

8           A.    It was -- it wasn't like an argument tone, it  
9     wasn't in an aggressive tone, so.

10          Q.    Did you -- did you believe it was not being  
11     used in an offensive manner?

12          A.    Yes --

13               MR. ORGAN: Objection, assume facts not in  
14     evidence, calls for speculation.

15     BY MR. ARANEDA:

16          Q.    Did you ever hear Mr. Diaz use the N-word?

17          A.    No.

18          Q.    You -- you testified earlier that you spoke  
19     with Mr. Organ's office, correct?

20          A.    (No audible response.)

21          Q.    How long did you -- was that in an person --  
22     strike that.

23               The conversation that you had with Mr. Organ's  
24     office, was that in an person conversation or over the  
25     telephone?

MICHAEL JOHN WHEELER

June 12, 2019

1      **circulation. We took care of the whole factory.**

2      **And if you've seen the factory, it's a really large**

3      **factory. So, yeah, I cannot remember.**

4            Q.      You would be throughout the whole factory?

5            A.      **Throughout the entire factory.**

6            Q.      Did you ever hear the N-word used anywhere  
7      else on the factory?

8            A.      **Not -- not outside of friendly context. So**  
9      **g-a instead of e-r, but never really aggressively.**

10          Q.      Okay. So tell me about that. So when you  
11      were in general assembly -- that's what g-a is,  
12      right?

13          A.      **What did I just say? No. No.**

14                  I mean, g-a is general assembly but --

15          Q.      Okay.

16          A.      **But I think my g-a was something different,**  
17      **if I did just say that. But we were everywhere, all**  
18      **the way to the end of the line to gate 3, which**  
19      **would have been the big red gate, to plastics,**  
20      **paint, body and white.**

21          Q.      So as a recycling associate, you would have  
22      to go throughout the entire factory. Is that true?

23          A.      **Yes.**

24          Q.      And so as a result of that, you were able  
25      to overhear things? Is that true?

MICHAEL JOHN WHEELER

June 12, 2019

1           **A.    Yes and no.    So I had a little cart that I**  
2           **drove around, and so I wouldn't be -- I would be**  
3           **moving too fast to really drop into a conversation.**

4           Q.    I see.    Okay.

5                   But it sounded like you did hear the N-word  
6           used at other times in the factory --

7           **A.    Yeah.**

8           Q.    -- is that correct?

9           **A.    During breaks or outside when they're**  
10          **smoking or in passing, coming into the factory.**

11          Q.    And do you remember who the people were who  
12          you heard using the N-word?

13          **A.    Everybody.    Blacks, whites, Mexican.**

14          Q.    Okay.    And you said that you didn't think  
15          it was used in an aggressive way?

16          **A.    Not at all.**

17          Q.    So when you were overhearing it, you were  
18          hearing it more like, "Hey, how's my N-word," or  
19          that kind of thing?

20          **A.    Yeah.**

21          Q.    And the N-word with an "A"?

22          **A.    "A," correct.**

23          Q.    Right.

24                   However, N-word with an "A" can still be  
25          offensive to an African-American, right?

1           **A.    Could be, yes.**

2           **Q.    Okay.    Certainly the e-r version of the**  
3           **N-word you heard is always offensive, correct?**

4           **A.    Correct.**

5           **Q.    And you found it offensive.    And Jesus used**  
6           **the N-word towards you, right?**

7           **A.    Yes.**

8           Q.    And in terms of what Josue said to you  
9           about what he would do about the fact that you had  
10          been called the N-word, tell me, again, what did he  
11          say he would do?

12          **A.    That would have been in an email.**

13          Q.    An email?

14          **A.    Yeah.**

15          Q.    So you complained to Josue in an email?

16          **A.    Yes.    If you could -- I don't know if we --**  
17          **if we could get to the phone, if we could get to a**  
18          **supervisor phone -- if you could get into my email,**  
19          **so much more could be taken care of.**

20          Q.    I see.

21          **A.    But right after I was terminated, they had**  
22          **me turn in my phone.**

23          Q.    Okay.    But the email goes through a  
24          electronic service, so --

25          **A.    Yes.**

1     **than me, so this would strike him more specifically**  
2     **than it would my generation of African-Americans.**  
3     **Where they still use, you know, "spook" and things**  
4     **of that, you know, nature.**

5           Q.     Did he tell you -- did Owen tell you that  
6     he thought the "Boo" was short for jigaboo?

7           A.     **If he did mention it, I wasn't -- I was**  
8     **more concerned with who, not what at that point.**

9           Q.     Okay. Okay. But the way you perceived it  
10    as an African-American male, was you still perceived  
11    this as some kind of racial drawing, right?

12          A.     **I perceived it as spook, "Boo" being**  
13    **related to spook, not as jigaboo.**

14          Q.     Okay. And it was still offensive to you as  
15    an African-American male, right?

16          A.     Correct.

17          Q.     Okay. So and certainly Owen Diaz expressed  
18    to you that he was offended by this drawing, right?

19          A.     **Yes.**

20          Q.     And then -- okay. What happens next?

21          A.     **So Ramon -- we call Ramon over. I want to**  
22    **say we called Ramon over to figure out what was**  
23    **going on. At this point -- because I don't think**  
24    **Ramon drew it --**

25          Q.     Okay.

3           **A.       I wouldn't have. I wouldn't have done anything**  
4 **with her, no.**

5           Q.       What's your opinion of West Valley Staffing

7           **A.       They're a good staffing agency, just like any**  
8 **other staffing agency.**

9           Q.       I'm going to ask you about a word that has  
10 been -- that's come up a few times in this case, and I  
11 don't want you to be offended, but I have to use the  
12 word. The word is nigger.

13          **A.       Yes, sir.**

14          Q.       Did you ever hear anyone use that word at  
15 Tesla?

16          **A.       Yes, sir.**

17          Q.       In what circumstances did you hear that word  
18 being said?

19          A.       There had been times where I'd actually  
20 walked -- been walking through the facility, and there  
21 was -- one time in particular, there was two Asian or  
22 Filipino gentlemen. And one was, like, "What's up, my  
23 nigga," to the other one. That type of thing.

24                   It still was offensive, but, you know, it  
25 wasn't my employee, so I didn't engage in it.

WAYNE JACKSON

1           A.     I wouldn't say a joking way, sir, but more of  
2     an -- I don't know how to put it -- acknowledgment of  
3     their friend, I guess you could say. I don't know. It  
4     just -- it never seemed appropriate to me, though.

5           MR. HORTON: Q. Did you ever hear the word  
6     nigger used at Tesla in an intentionally offensive way?

7           A.     No, sir, I never did.

8           Q.     Have you ever heard of a person named  
9     Javier Caballero (phonetic)?

10          A.     No, I have not.

11          Q.     That's all I have. Thank you very much.

12          MS. STEVENS: No questions.

13          THE WITNESS: Ma'am? Or --

14          MS. JENG: None.

15          MR. ORGAN: I'm just going to do a little  
16     follow-up on that.

17                 FURTHER EXAMINATION BY MR. ORGAN

18          MR. ORGAN: Q. In terms of this area where you  
19     heard the -- was it the A version of the N word or ER  
20     version?

21          A.     A.

22          Q.     A version?

23          A.     Yes, sir.

24          Q.     And did you --

25          MR. HORTON: Could we get some clarification on

WAYNE JACKSON

May 17, 2019

1           **A.     Yes, sir.**

2           Q.     You heard the A version of the N word on  
3           numerous occasions throughout the factory.

4                     Is that true?

5           MR. ARANEDA:  Objection.  Vague.  It misstates  
6           his testimony.

7           THE WITNESS:  Do I answer?

8           MR. ORGAN:  Yes.

9           THE WITNESS:  Yes, I did.  I mean, like I said,  
10          it's -- unfortunately, with music and things of that  
11          nature nowadays, it's kind of the norm for these  
12          youngsters now, the younger generation, unfortunately.  
13          They don't understand the struggles or what people went  
14          through with regards to that word.

15          MR. ORGAN:  Right.

16          THE WITNESS:  So, you know, they don't  
17          understand the impact I think it has when they use it,  
18          and it's just engrained in society around here, to be  
19          honest.  You hear it on the street.  I mean, I hear it,  
20          quite honestly, white people calling each other that at  
21          this point in life, which is amazing to me.

22                  MR. ORGAN:  Q.  Because it's offensive to you  
23                  as an African-American, isn't it --

24           **A.     Yes, sir.**

25           Q.     -- the use of the A version of the N word,

WAYNE JACKSON

May 17, 2019

1 right? Any version of the N word?

2 A. I don't like the word, period, but, you know, I  
3 understand a little more why they do it. I just wish  
4 they wouldn't.

5 Q. Right.

6 And did you ever communicate to anybody at,  
7 like, Tesla human resources or anything like that about  
8 the fact that you're hearing --

9 A. No, sir.

10 Q. -- A version of the N word?

11 A. No, sir, I did not.

12 Q. Did you talk to the two -- the two  
13 Asian-American people who you overheard where you have  
14 the specific recollection about them saying, What's up,  
15 my N word with an A, did you talk to them about the  
16 fact --

17 A. Yes.

18 Q. -- that they had used it?

19 A. Yes, sir.

20 THE REPORTER: Wait a minute.

21 THE WITNESS: Sorry.

22 MR. ORGAN: Q. And what did you tell them in  
23 terms of after you heard them say -- use the A version  
24 of the N word?

25 A. I just basically let them know, you guys

WAYNE JACKSON

May 17, 2019

1           **shouldn't be doing that.**

2           Q.     What did they say in response to you telling  
3           them they shouldn't be doing that?

4           **A.     If I remember correctly, "My bad."**

5           Q.     But you said that you had heard the A version  
6           of the N word throughout the factory when you were  
7           walking around.

8                     Is that true?

9                     MR. ARANEDA: It misstates his testimony.

10                    THE WITNESS: I've heard it on a few occasions.  
11           I just can't say just everywhere, but I have heard it a  
12           few times, yes.

13                    MR. ORGAN: Q.   Is it fair to say that you  
14           heard the A version of the N word in different parts of  
15           the factory?

16                    Is that true?

17                    MS. JENG: Objection. Vague.

18                    THE WITNESS: Yeah, I guess you could say it's  
19           different parts, yes.

20                    MR. ORGAN: Q.   Okay. If you can, tell me, as  
21           best you can recall, what are the areas that you recall  
22           hearing the A version of the N word at the Tesla  
23           factory?

24                    **A.     On the floor closer to some of the satellite**  
25           **cafeterias where people would go to lunch. And they'd**

WAYNE JACKSON

May 17, 2019

1        be having just common conversations.

2                Like I said, I don't -- I honestly don't feel  
3        like they were trying to offend anybody. It's just kind  
4        of what the culture has evolved into as of late.

5                It's unfortunate, but I don't necessarily feel  
6        they were trying to say it in an inoffensive way.

7                Q.        Right.

8                They may not have been intending to be  
9        offensive, but, certainly, from your perspective --

10              A.        Can I --

11              Q.        Sure.

12              A.        **She's calling me.**

13              MR. HORTON: Take a quick break?

14              MR. ORGAN: Sure.

15              (Whereupon, a recess was held from  
16              1:29 p.m. to 1:32 p.m.)

17              MR. ORGAN: Back on the record.

18              Q.        In terms of the areas that you heard the  
19        N word, you said in the floor area typically near the  
20        satellite cafeterias.

21              Is that correct?

22              A.        **Yes, sir, where the people would be coming for**  
23        **lunch and they'd be walking in groups talking, things**  
24        **like that.**

25              Q.        And in terms of -- I think the question I was

WAYNE JACKSON

May 17, 2019

1       going to ask you was, you mentioned that you didn't  
2       think that the workers who you overheard were intending  
3       it to be offensive, but, certainly, as an  
4       African-American male, any time anyone uses even -- the  
5       A version of the N word, that's offensive to you, isn't  
6       it?

7           **A.       I wouldn't say that. To be honest, a lot of**  
8       **African-Americans use that word amongst each other.**

9           Q.       Right.

10                  But when an African-American uses that word,  
11       the N word, that's different than when people who aren't  
12       African-Americans use the word; right?

13           **A.       Once again, it depends on which version they're**  
14       **using.**

15           Q.       Right.

16                  But even the A version of the N word is  
17       offensive to African-Americans if someone who's not  
18       African-American is using it; right?

19           **A.       It depends, once again, on the context of how**  
20       **they're using it.**

21           Q.       Okay.

22           **A.       It is offensive, but, like I said, it depends**  
23       **on how they're using it, you know.**

24           Q.       Well, it's not something that should be used in  
25       the workplace --

WAYNE JACKSON

May 17, 2019

1           **A.**     There you go.

2           **Q.**     -- right?

3           **A.**     There you go. It shouldn't be used at all,

4           so...

5           **Q.**     And where you currently work --

6           **A.**     Uh-hum.

7           **Q.**     -- do you hear the N word there?

8           **A.**     No, sir.

9           **Q.**     All right. And other than at the Tesla  
10           factory, have you ever heard the N word used by  
11           non-African-Americans in the workplace?

12           **A.**     Yes, sir.

13           **Q.**     Where else?

14           **A.**     Places like Walmart, I've heard their  
15           associates saying it to each other.

16           **Q.**     Okay.

17           **A.**     I mean, yeah, I have heard it in other places.

18           **Q.**     Did you hear the E-R version of the N word at  
19           Tesla?

20           **A.**     No, I think that's even a more disparaging  
21           version, so a lot of people are super offended by that.

22           **Q.**     Right.

23                     But you didn't hear that at Tesla; right?

24           **A.**     No, I did not.

25           **Q.**     In terms of the number of times that you heard

WAYNE JACKSON

May 17, 2019

1        the N word with an A at Tesla, how many times -- what's  
2        your best estimate of the number times you've heard  
3        that?

4        **A.     Three, four times, probably.**

5        Q.     And did you report that to HR?

6        **A.     No, sir.**

7        Q.     Why not?

8        **A.     Because of the context it was being used in**  
9        **wasn't being used, at least in my opinion, to offend.**  
10       **It was just people being ignorant.**

11       Q.     You do know that some African-Americans are  
12       offended by any use of the N word even with the A;  
13       correct?

14       **A.     And that's their preference, yes, sir.**

15       Q.     And in terms of any kind of, like, diversity  
16       training on the issue of the use of the N word, were you  
17       aware of any such training during the time that you were  
18       at the Tesla factory?

19       **A.     I couldn't say I do know. No, I don't know. I**  
20       **wasn't involved in their orientation or training**  
21       **processes, no.**

22       Q.     But in terms of your knowledge of whether or  
23       not such training occurred, you're not aware of any kind  
24       of diversity training that Tesla did around the N word;  
25       correct?

WAYNE JACKSON

May 17, 2019

1           **A.     I wouldn't have that knowledge, no.**

2           Q.     Okay. No further questions.

3           MR. HORTON: Just a quick one.

4                   FURTHER EXAMINATION BY MR. HORTON

5           MR. HORTON: Q. Did you ever hear anyone at  
6 Tesla who you knew to be a supervisor use the N word  
7 ending in A?

8           **A.     No, sir.**

9           Q.     What do you think is the difference between the  
10 N word ending in A and the N word ending E-R?

11                   What is the --

12           **A.     One is --**

13           Q.     -- difference between those --

14           **A.     One is -- the way it is now in the culture, I**  
15 **guess one is more of, like I say, an acknowledgement of**  
16 **a friend.**

17                   **Like --**

18           Q.     Which --

19           **A.     -- a lot of -- a lot of people will say,**  
20 **"What's up, my nigga," like "What's up, my friend" type**  
21 **of thing. It's not an N-I-G-G-E-R type of deal.**

22                   **So to a lot of African-Americans, there is a**  
23 **differential between the two.**

24           Q.     So the N word ending in A is something of a  
25 salutation between friends, in your mind?

WAYNE JACKSON

May 17, 2019

1           A.     For African-Americans it is. It's shocking to  
2           see other races using it the same, but a lot of  
3           African-American cultures are adapted [sic] by other  
4           cultures.

5           Q.     Thank you.

6           MR. ORGAN:   Nothing else.

7           MR. ARANEDA:   Do you guys have any follow-ups?

8           MS. JENG:   No.

9           MS. STEVEN:   No.

10          MR. ORGAN:   Great.   Thanks a lot.

11          (Whereupon, at the hour of 1:37 p.m., the  
12          deposition was concluded.)

1           Q.    You would agree that use of the "N" word in  
2   any form is inappropriate at the Fremont factory?

3           A.    Yeah, that's not acceptable language for  
4   professional work environment or Tesla's factory.

5           Q.    And certainly, use of the "N" word in any  
6   form would violate Tesla's antiharassment policy;  
7   right?

8           A.    If it was found to be substantiated, then it  
9   would potentially violate the policy, yes.

10          Q.    Can you think of an instance where use of the  
11   "N" word in the Tesla factory would not violate  
12   Tesla's antiharassment policy?

13          A.    Not specifically, no.

14          Q.    Are you aware of any training modules that  
15   nextSource developed for Tesla relative to the issue  
16   of diversity, sexual harassment training?

17          A.    I'm not familiar with that, no.

18               MR ORGAN: This is Exhibit 33.

19               Exhibit 33, for the record, is a three-page  
20   document Bates-stamped Tesla 217 to 219, and it's the  
21   antiharassment and discrimination policy.

22          Q.    I'm wondering if you can tell when this  
23   particular policy Exhibit 33 was in effect.

24          A.    I believe this version of it is a prior  
25   version. It's not the most recent one.

24 PROPOUNDING PARTY: Plaintiff, OWEN DIAZ

25 RESPONDING PARTY: Defendant, TESLA, INC. DBA TESLA MOTORS,  
26 INC.

27 SET NO.: One  
28

1 Defendant Tesla, Inc. dba Tesla Motors, Inc. ("Defendant") hereby responds to  
2 Plaintiff Owen Diaz's ("Plaintiff") Interrogatories, Set One, pursuant to Federal Rules  
3 of Civil Procedure, Rule 33, as follows:

4 **PRELIMINARY STATEMENTS AND GENERAL OBJECTIONS**

5 1. Defendant has not completed its investigation of the facts relating to this  
6 case, has not fully completed its discovery in this action, and has not completed its  
7 preparation for trial. Defendant's responses herein are based upon and reflect the  
8 current state of its knowledge, and are made without prejudice to Defendant's right to  
9 produce and utilize any subsequently discovered evidence or interpretations thereof.

10 2. All the responses contained herein are based only upon such information  
11 and documents which are presently available to and specifically known to Defendant  
12 and disclose only those contentions which presently occur to Defendant. It is  
13 anticipated that further discovery, independent investigation, legal research and  
14 analysis will supply additional facts, and meaning to the known facts, as well as  
15 establish entirely new factual conclusions and legal contentions, all of which may lead  
16 to substantial additions, changes and variations to the contentions set forth herein.

17 3. The following responses are given without prejudice to Defendant's right  
18 to produce evidence of any subsequently discovered fact or facts revealed by further  
19 investigation. Defendant accordingly reserved the right to change any and all answers  
20 herein as additional facts are ascertained, analyses are made, legal research is  
21 completed and contentions are made. The answers contained herein are made in a  
22 good faith effort to supply as much factual information as is presently known but in no  
23 way may be used to the prejudice of this responding party in relation to further  
24 discovery, research or analysis.

25 4. To the extent that these Interrogatories seek information privileged  
26 against disclosure by the attorney-client privilege and/or protected by the attorney  
27 work-product doctrine, Defendant objects to them.

1           5. No incidental or implied admissions are intended by these responses.  
2 The fact that Defendant responds to or objects to any interrogatory should not be taken  
3 as an admission that Defendant accepts or admits the existence of any facts assumed  
4 by such interrogatory, or that such response or objection constitutes admissible  
5 evidence as to any such assumed facts. The fact that Defendant responds to part of or  
6 all of any interrogatory is not intended to be, and shall not be construed as, a waiver  
7 by Defendant of any part of any objection to any interrogatory.

8           6. Each of the foregoing general objections is hereby incorporated by  
9 reference into each and every one of the responses contained herein as though fully set  
10 forth therein, regardless of whether any or all of the foregoing general objections are  
11 repeated in response to any request.

OWEN DIAZ'S INTERROGATORIES, SET  
THREE**

Amended Complaint Filed: December 26, 2018  
Trial Date: November 18, 2019

1 PROPOUNDING PARTY: Plaintiff OWEN DIAZ  
2 RESPONDING PARTY: Defendant TESLA, INC. DBA TESLA MOTORS, INC.  
3 SET NO.: THREE

4 **PRELIMINARY STATEMENT**

5 Pursuant to Federal Rule of Civil Procedure 33, Defendant Tesla, Inc. dba Tesla Motors,  
6 Inc. ("Defendant") hereby responds to Plaintiff Owen Diaz's ("Plaintiff") Interrogatories, Set  
7 Three.

8 The following responses and objections have been prepared prior to the completion of  
9 Defendant's investigation, discovery, and preparation for trial in this action. The responses and  
10 objections are based only on information, facts, and documents currently available and known to  
11 Defendant. Defendant reserves its right to make changes to the responses and objections if it  
12 appears that omissions or errors have been made in them, or that further and more accurate  
13 information, facts, and/or documents are available, but Defendant is under no obligation to do so.  
14 Defendant also reserves its right to rely upon and/or introduce into evidence at trial or any pre-trial  
15 proceeding any additional information, facts, and/or documents.

16 Defendant's responses and objections are for the purpose of discovery only, and are not an  
17 admission or acceptance that any response, fact, or document is relevant and/or admissible into  
18 evidence. Defendant reserves its right to object to the admissibility of any response, fact, or  
19 document at the time of trial or any pre-trial proceeding.

20 Defendant provides the following responses subject to, and without waiving the foregoing  
21 Preliminary Statement, which is incorporated by reference into each response below.

22 **GENERAL OBJECTIONS**

23 1. Defendant reserves the right to object on any ground at any time to such other or  
24 supplemental Interrogatories, or any other discovery, as Plaintiff may at any time propound  
25 involving the subject matter of the Interrogatories.

26 2. Defendant objects to the Interrogatories on the grounds and to the extent they seek  
27 information outside the possession, custody, or control of Defendant and that is not within  
28 Defendant's personal knowledge.

1           3. Defendant objects to the Interrogatories because they are overbroad and unduly  
2 burdensome, and seek information that is neither relevant nor reasonably calculated to lead to the  
3 discovery of admissible evidence.

4           4. Defendant objects to the Interrogatories on the grounds and to the extent they call  
5 for information which is protected by the by the attorney-client privilege, that was prepared in  
6 anticipation of litigation for trial or is covered by the work product doctrine, or which constitutes  
7 information which is privileged or related to confidential trade secrets or the right or privilege of  
8 privacy (including the freedom of association and financial privacy, the right of privacy held by  
9 non-party individuals with respect to their employment records).

10           Each of these general objections is incorporated by reference into each set of specific  
11 responses to each Interrogatory set forth below. The fact that any of these general objections is set  
12 forth again specifically in response to any of the Interrogatories shall not be construed as a waiver  
13 of any of the other general objections set forth herein.

#### 14                                   **RESPONSE TO INTERROGATORIES**

##### 15           **INTERROGATORY NO. 14:**

16           Please provide the last, best-known contact information of Judy Timbreza.

##### 17           **RESPONSE TO INTERROGATORY NO. 14:**

18           Defendant objects to this request on the grounds that it is overbroad, ambiguous, vague and  
19 uncertain with regard to the phrase “best-known.” Defendant objects that this interrogatory is not  
20 limited in time or scope, and thus is overbroad, unduly burdensome, oppressive, and harassing.  
21 Defendant further objects to the extent this interrogatory is invasive of the privacy rights and  
22 confidentiality of third-party non-litigants. Defendant further objects to the extent this  
23 interrogatory seeks information that is not relevant to the claims or defenses and/or proportional to  
24 the needs of the case, considering the importance of the issues at stake in the action, the amount in  
25 controversy, the parties’ relative access to relevant information, the parties’ resources, the  
26 importance of the discovery in resolving the issues, and whether the burden or expense of the  
27 proposed discovery outweighs its likely benefit.

28

 16 controversy, the parties’ relative access to relevant information, the parties’ resources, the  
 17 importance of the discovery in resolving the issues, and whether the burden or expense of the  
 18 proposed discovery outweighs its likely benefit. Defendant objects that this interrogatory lacks  
 19 foundation, and assumes facts not in evidence, particularly, that Judy Timbreza had an assigned  
 20 schedule of “hours worked,” and/or recorded the same. Defendant further objects to the extent

6 FACTORY.” Defendant further objects to the extent this interrogatory is invasive of the privacy  
7 rights and confidentiality of third-party non-litigants and/or current or former employees of  
8 Defendant. Defendant further objects to the extent this interrogatory seeks information that is not  
9 relevant to the claims or defenses and/or proportional to the needs of the case, considering the  
10 importance of the issues at stake in the action, the amount in controversy, the parties’ relative  
11 access to relevant information, the parties’ resources, the importance of the discovery in resolving  
12 the issues, and whether the burden or expense of the proposed discovery outweighs its likely  
13 benefit. Defendant objects that this interrogatory lacks foundation, and assumes facts not in  
14 evidence, particularly, that Edward Romero had an assigned schedule of “hours worked,” and/or  
15 recorded the same. Defendant further objects to the extent this interrogatory necessitates the  
16 preparation or the making of a compilation, abstract, audit, or summary.

1 rights and confidentiality of third-party non-litigants and/or current or former employees of  
 2 Defendant. Defendant further objects to the extent this interrogatory seeks information that is not  
 3 relevant to the claims or defenses and/or proportional to the needs of the case, considering the  
 4 importance of the issues at stake in the action, the amount in controversy, the parties' relative  
 5 access to relevant information, the parties' resources, the importance of the discovery in resolving  
 6 the issues, and whether the burden or expense of the proposed discovery outweighs its likely  
 7 benefit. Defendant objects that this interrogatory lacks foundation, and assumes facts not in  
 8 evidence, particularly, that Victor Quintero had an assigned schedule of "hours worked," and/or  
 9 recorded the same. Defendant further objects to the extent this interrogatory necessitates the

 22 FACTORY." Defendant further objects that this interrogatory is not limited in time or scope, and  
 23 thus is overbroad, unduly burdensome, oppressive, and harassing. Defendant further objects to the  
 24 extent this interrogatory is invasive of the privacy rights and confidentiality of third-party non-  
 25 litigants and/or current or former employees of Defendant. Defendant further objects to the extent  
 26 this interrogatory seeks information that is not relevant to the claims or defenses and/or  
 27 proportional to the needs of the case, considering the importance of the issues at stake in the  
 28 action, the amount in controversy, the parties' relative access to relevant information, the parties'

resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. Defendant further objects to the extent this interrogatory seeks information that is not relevant to the claims or defenses and/or proportional to the needs of the case, considering the importance of the issues at stake in the action, the amount in controversy, the parties’ relative access to relevant information, the parties’ resources, the importance of the discovery in resolving the issues, and whether the burden or expense of the proposed discovery outweighs its likely benefit. Defendant objects that this interrogatory lacks foundation, and assumes facts not in evidence, particularly, that Joyce

1 DelaGrande had an assigned schedule of “hours worked,” and/or recorded the same. Defendant

1 Q. Did Jackie Delgado ever tell you that she found  
2 Mr. Owen Diaz to be credible?

3 **A. She didn't mention any of that.**

4 Q. And based on your interaction -- strike that.

03:33:41 5 Did you actually interview Ramon Martinez  
6 relative to what happened between him and Owen Diaz?

7 **A. Documentation was given to Ramon, and Ramon**  
8 **answered the questionnaire.**

9 Q. Why -- why was Ramon Martinez given a  
03:34:11 10 questionnaire to fill out rather than actually  
11 interviewed?

12 MS. JENG: Objection. Calls for speculation.

13 THE WITNESS: That's what I was told to do.

14 BY MR. ORGAN:

03:34:20 15 Q. So Jackie Delgado told you to get a statement  
16 from Ramon Martinez?

17 **A. To give the questionnaire to Ramon.**

18 Q. Did Jackie Delgado suggest to you in any way  
19 that she felt as if the allegations against  
03:34:59 20 Ramon Martinez were serious?

21 MS. JENG: Objection. Vague.

22 MS. OH: Join.

23 THE WITNESS: The only thing that was provided  
24 by Jackie in any conversation was the emails going back  
03:35:11 25 and forth.

4 Do you remember receiving these documents from

6 **A. I think so.**

7 Q. Okay. You -- you have no reason to doubt that  
8 you got them; correct?

9 **A. No.**

04:06:22 10 Q. And let's go to the last three pages of

12 Do you recognize those? I'm looking at NS43

14 **A. Yes.**

04:06:49 15 Q. And what are those?

16 **A. This is the questionnaire that was emailed to**

21 **A. Correct.**

22 Q. And then you gave that blank questionnaire to

Wayne,

I do apologize for the late response. I did let Rothaj know that his assignment has ended. I do feel that there were several misunderstandings and miscommunications. I took a statement from both of them. Rothaj was straight forward and explained fully to me what happened from his point of view. When I spoke to Owen, he had to think about what happened. I have also heard a few complaints about Owen abusing his power as a lead, as well as coming off slightly standoffish. If there was a report made could you please forward it to me to have for Citistaffs records. If there was no witness to the threats that Rothaj had supposedly said I don't think that should have been counted against him. As far as the illegal parking Rothaj has a handicap sticker in his car. At this point is there any chance of Rothaj returning possibly back to sorting. He was enlisted for a raise next week. Thank you for your efforts I appreciate it.

**Subject:** Rothaj Foster

I had Rothaj Foster removed from the Tesla premises last night at 10:00 pm. The reason is that he was conducting himself in a threatening manner against Owen Diaz.

I received a call from Rothaj Foster at 6:06 pm. He said that he had spoken to Wayne Jackson and that Wayne had told him he was going to move him to a recycling sorter position tonight. I explained to him that people are not moved around like that without us first getting a replacement. I encouraged him to be patient, do his job and everything would work out. I also reminded him that we were short on staff.

I received another call from Mr. Foster at 7:47 saying that Owen wouldn't let him take his break. He said that Owen had went to cover for Froilan break. I told him to be patient and Owen would cover for him when Froilan came back. I explained that when we only have three people on we might not be able to take our breaks as we want but when we can. I told him to be patient. I then got another call from Mr. Foster around 9:00 insinuating that Owen was being mean. I called Owen to ask him what was happening and Owen said Rothaj was being difficult and threatening, saying "you better watch your car". I asked Owen if anyone had heard him say that, Owen said he didn't think so.

I then instructed Owen to assign Rothaj to elevator 2 as to avoid any friction between the two. When Owen approached Rothaj Foster to instruct him to go to elevator 2 he conducted himself in a threatening manner as if he wanted to fight with Owen. He also made a comment about shooting Owen. I asked him if anyone had witnessed this, at which time a Tesla material handler came forward and said he had witnessed Mr. Foster's threatening conduct. I then returned to Tesla to investigate the matter.

I then returned to Tesla and met with Yordano Ramirez, material handler from the Reman Area. He gave me his written statement and explained what happen. He said he witnessed Rothaj Foster conduct himself in a threatening manner towards Owen. I then called security explained the situation and asked that he be

removed from the premises. Security informed me that they had had problems with Mr. Fosters attitude in the past. They said I could included that information in my report. I asked for his badge, which he returned to me. I informed Mr. Foster that he was suspended while we evaluated what had happen. He asked if he could call someone. I told him he could call his agency if wanted to. He asked if he could call Wayne Jackson, I told him he was free to do so if he wanted to. He was then escorted out of the building and followed to his car which he had parked illegally in a handicapped parking spot.

I could not allow anyone to be a threat to any other employee. I do not recommend he be allowed to return.

Mr. Romero today @ 4:45 am I was working elevator 1 with rothaj foster training him, when the elevator doors opened on the first floor and we saw Ramon siting there. At the time I was explaining to Rothai what you had told me about the outside team and inside team and what his duties consisted of. I was explaining him that Tom would no longer be his supervisor it was going to be you. For

some reason Ramon jump off the tugger he was on and started yelling at me in a Threatening manner, saying you have a problem with me! why are you telling him who his supervisor is! When I did not say anything to Ramon followed me into the elevator and stood next to the forklift I was on and keep yelling at me. I thought he was going to hit me. so I asked him to please step back. because of his threatening manner and reminded Ramon we were on camera. Mr. Romero because of the way Ramon was acting I don't feel safe around him now. Can you please talk to him I don't need any problems. I just want to do my job. You can check the surveillance system to confirm. I contacted Tom for advice and he said, if you don't have excess surveillance system please contact him.

## MEMORANDUM OF POINTS AND AUTHORITIES

### INTRODUCTION

For decades, California judges have set bail in amounts that permit pretrial release of the wealthy but not the poor. Bail has been set according to bail schedules without consideration of defendant's ability to pay. *In re Humphrey* (2018) 19 Cal.App.5th 1006 [review granted but still published; citable as persuasive authority pursuant to Cal. Rules of Court Rule 8.1115(e)(1)] makes clear that our established practice is "a deformity in our criminal justice system that close observers have long considered a blight on the system."<sup>1</sup> The *Humphrey* court discusses our longstanding error and says it is the *judiciary* that must correct it:

The problem, as our Chief Justice has shown, *requires the judiciary ... to change the way we think about bail and the significance we attach to the bail process...* [T]he highest judicial responsibility is and must remain the enforcement of constitutional rights... [and the protection of] presumptively innocent persons threatened with divestment of their fundamental constitutional right to pretrial liberty.

(*Humphrey, supra*, 19 Cal.App.5th at 1049, *emph. added.*) The defense respectfully requests that this Court fulfill its responsibility to ensure that no person is incarcerated because he or she is poor, and to reduce bail to an affordable amount and/or grant pretrial release on appropriate conditions.

---

<sup>1</sup> While the California Supreme Court has granted review in *Humphrey*, the Court chose not to de-publish the case. *Humphrey* may still be cited for its "persuasive value." (Cal. Rules of Court Rule 8.1115(e)(1).) Even though the case is not currently binding precedent, it should not be ignored. Like dicta in a judicial decision, "a statement that does not possess the force of a square holding may nevertheless be considered highly persuasive, particularly when made by an able court after careful consideration, or in the course of an elaborate review of the authorities." (9 Witkin, Cal. Proc. 5th Appeal §511 (2008); see also *Smith v. Los Angeles* (1989) 214 Cal.App.3d 266, 297 ["Such dictum, while not controlling authority, carries persuasive weight and should be followed where it demonstrates a thorough analysis of the issue or reflects compelling logic."].) This Court should not reject or demean the persuasive, reasoned decision in *Humphrey*. The Court of Appeal in *Humphrey* conducted a careful review of the relevant constitution principles, the leading federal and state case law, and binding precedent from the United States Supreme Court in finding that our current bail system did not comport with due process and equal protection. As such, the ruling and analysis in the case should be followed.

**STATEMENT OF LAW AND ARGUMENT**

**I. MR. BRYANT IS ENTITLED TO AFFORDABLE BAIL.**

Defendant is entitled to affordable bail. When a person is entitled to bail:

[T]he due process and equal protection clauses of the Fourteenth Amendment require the court to make two additional inquiries and findings before ordering release conditioned on the posting of money bail—whether the defendant has the financial ability to pay the amount of bail ordered and, if not, whether less restrictive conditions of bail are adequate to serve the government’s interests...

(*Humphrey, supra*, 19 Cal.App.5th at 1025.) Because defendant is unable to pay bail as currently set, *Humphrey* makes the following clear:

[The] court may not order pretrial detention unless it finds...

[1] the defendant is unable to pay that amount and no less restrictive conditions of release would be sufficient to reasonably assure such appearance; or

[2] no less restrictive nonfinancial conditions of release would be sufficient to protect the victim and community.

(*Id.*, at 1026, *emph. added*.) Furthermore, the court may only order bail above defendant’s ability to pay, i.e. the functional equivalent of a no bail ruling, if it finds by clear and convincing evidence that no less restrictive non-financial alternatives will satisfy those purposes—attendance at court appearances and protection of victim and community. (*Id.*, at 1037, 1039.)

*Humphrey* holds: “A determination of ability to pay is critical in the bail context to guard against improper detention based only on financial resources. . . . [This is] a matter that is the trial court’s responsibility to ensure—that a defendant not be held in custody solely because he or she lacks financial resources.” (*Humphrey*, 19 Cal.App.5th at 1036.) Furthermore, any bail reduction is meaningful “only if the court ha[s] reason to believe it possible for petitioner to post bail in the lower amount...” (*Id.*, at 1045.)

1 At the hearing on this motion, the defense will offer evidence regarding Mr. Bryant's ability to  
2 pay. However, if this Court disagrees and "concludes that an amount of bail the defendant is unable to  
3 pay is required to ensure his or her future court appearances, it may impose that amount only upon a  
4 determination by clear and convincing evidence that no less restrictive alternative will satisfy that  
5 purpose." (*Humphrey, supra*, 19 Cal.App.5th at 1037.) This Court's determinations regarding  
6 dangerousness and flight risk must be based upon an individualized evaluation of defendant's  
7 circumstances and propensities, and not "generalizations of future criminality." (*Id.*, at 1040.)  
8 Moreover, the prosecution has the burden to present "clear and convincing evidence, to establish that  
9 'no condition or combination of conditions of release would ensure the safety of the community or any  
10 person' [citation], thereby justifying abridgment of petitioner's liberty interest while awaiting trial." (*Id.*,  
11 at 1045 [citing *U.S. v. Salerno* (1987) 481 U.S. 739, 743-744].)  
12  
13

14 In the present case, the prosecution will be unable to demonstrate by clear and convincing  
15 evidence that the defendant meets the criteria set forth for pretrial detention without reasonable bail  
16 under article I, section 12, of the California Constitution. Thus, Mr. Bryant should be admitted to bail.  
17 Under the analysis of *Humphrey* and the cases and constitutional principles on which it relies, this court  
18 must either grant pretrial release or set bail at an amount defendant can afford.

For decades, our courts have set bail in exorbitant amounts that permit release of the wealthy but not the poor. ## MEMORANDUM OF POINTS AND AUTHORITIES

### INTRODUCTION

For decades, California judges have set bail in amounts that permit pretrial release of the wealthy but not the poor. Bail has been set according to bail schedules without consideration of defendant's ability to pay. *In re Humphrey* (2018) 19 Cal.App.5th 1006 [review granted but still published; citable as persuasive authority pursuant to Cal. Rules of Court Rule 8.1115(e)(1)] makes clear that our established practice is "a deformity in our criminal justice system that close observers have long considered a blight on the system."<sup>1</sup> The *Humphrey* court discusses our longstanding error and says it is the *judiciary* that must correct it:

The problem, as our Chief Justice has shown, *requires the judiciary ... to change the way we think about bail and the significance we attach to the bail process...* [T]he highest judicial responsibility is and must remain the enforcement of constitutional rights... [and the protection of] presumptively innocent persons threatened with divestment of their fundamental constitutional right to pretrial liberty.

(*Humphrey, supra*, 19 Cal.App.5th at 1049, *emph. added*.) The defense respectfully requests that this Court fulfill its responsibility to ensure that no person is incarcerated because he or she is poor, and to reduce bail to an affordable amount and/or grant pretrial release on appropriate conditions.

---

<sup>1</sup> While the California Supreme Court has granted review in *Humphrey*, the Court chose not to de-publish the case. *Humphrey* may still be cited for its "persuasive value." (Cal. Rules of Court Rule 8.1115(e)(1).) Even though the case is not currently binding precedent, it should not be ignored. Like dicta in a judicial decision, "a statement that does not possess the force of a square holding may nevertheless be considered highly persuasive, particularly when made by an able court after careful consideration, or in the course of an elaborate review of the authorities." (9 Witkin, Cal. Proc. 5th Appeal §511 (2008); see also *Smith v. Los Angeles* (1989) 214 Cal.App.3d 266, 297 ["Such dictum, while not controlling authority, carries persuasive weight and should be followed where it demonstrates a thorough analysis of the issue or reflects compelling logic."].) This Court should not reject or demean the persuasive, reasoned decision in *Humphrey*. The Court of Appeal in *Humphrey* conducted a careful review of the relevant constitution principles, the leading federal and state case law, and binding precedent from the United States Supreme Court in finding that our current bail system did not comport with due process and equal protection. As such, the ruling and analysis in the case should be followed.

1 **STATEMENT OF FACTS**

2 The prosecution filed criminal charges against defendant. Monetary bail was previously set in an  
 3 amount that defendant is unable to pay. Defendant remains in custody because defendant does not have the  
 4 financial means to post the monetary amount set by the court. Accordingly, under Penal Code section  
 5 1270.2, the due process and equal protection clauses of the state and federal constitutions, the Eight  
 6 Amendment, and the decision of *In re Humphrey*, the defendant is hereby requesting the court reconsider  
 7 the bail previously set and either reduce defendant's bail based on defendant's ability to pay and/or grant  
 8 pretrial release on appropriate conditions. (*Humphrey, supra*, 19 Cal.App.5th at 1048-1049.)  
 9

10 Pretrial incarceration places a significant burden on defendant, including deprivation of liberty,  
 11 curtailed ability to prepare a defense, prejudice engendered by appearing in court incarcerated, peril to  
 12 employment, imposition on family, and attendant social burdens. (See, generally, *Van Atta v. Scott*  
 13 (1995) 27 Cal.3d 424, 435-437.)  
 14

15 **STATEMENT OF LAW AND ARGUMENT**

16 **I. THE ACCUSED IS ENTITLED TO AFFORDABLE BAIL.**

17 Defendant is entitled to affordable bail. When a person is entitled to bail:

18 [T]he due process and equal protection clauses of the Fourteenth Amendment  
 19 require the court to make two additional inquiries and findings before ordering  
 20 release conditioned on the posting of money bail—whether the defendant has  
 21 the financial ability to pay the amount of bail ordered and, if not, whether less  
 22 restrictive conditions of bail are adequate to serve the government's interests...

23 (*Humphrey, supra*, 19 Cal.App.5th at 1025.) Because defendant is unable to pay bail as currently set,  
 24 *Humphrey* makes the following clear:

25 [The] court may not order pretrial detention unless it finds...

26 [1] the defendant is unable to pay that amount and no less restrictive  
 27 conditions of release would be sufficient to reasonably assure such  
 28 appearance; or

1 [2] no less restrictive nonfinancial conditions of release would be sufficient to  
 2 protect the victim and community.

3 (*Id.*, at 1026, *emph. added.*) Furthermore, the court may only order bail above defendant's ability to pay,  
 4 i.e. the functional equivalent of a no bail ruling, if it finds by clear and convincing evidence that no less  
 5 restrictive non-financial alternatives will satisfy those purposes—attendance at court appearances and  
 6 protection of victim and community. (*Id.*, at 1037, 1039.)

7 *Humphrey* holds: "A determination of ability to pay is critical in the bail context to guard against  
 8 improper detention based only on financial resources. . . . [This is] a matter that is the trial court's  
 9 responsibility to ensure—that a defendant not be held in custody solely because he or she lacks financial  
 10 resources." (*Humphrey*, 19 Cal.App.5th at 1036.) Furthermore, any bail reduction is meaningful "only  
 11 if the court ha[s] reason to believe it possible for petitioner to post bail in the lower amount..." (*Id.*, at  
 12 1045.)  
 13

14 At the hearing on this motion, defendant will offer evidence regarding defendant's ability to pay.  
 15 However, if this Court disagrees and "concludes that an amount of bail the defendant is unable to pay is  
 16 required to ensure his or her future court appearances, it may impose that amount only upon a  
 17 determination by clear and convincing evidence that no less restrictive alternative will satisfy that  
 18 purpose." (*Humphrey, supra*, 19 Cal.App.5th at 1037.) This Court's determinations regarding  
 19 dangerousness and flight risk must be based upon an individualized evaluation of defendant's  
 20 circumstances and propensities, and not "generalizations of future criminality." (*Id.*, at 1040.)  
 21 Moreover, the prosecution has the burden to present "clear and convincing evidence, to establish that  
 22 'no condition or combination of conditions of release would ensure the safety of the community or any  
 23 person' [citation], thereby justifying abridgment of petitioner's liberty interest while awaiting trial." (*Id.*,  
 24 at 1045 [citing *U.S. v. Salerno* (1987) 481 U.S. 739, 743-744].)  
 25  
 26  
 27  
 28

1 In the present case, the prosecution will be unable to demonstrate by clear and convincing  
 2 evidence that the defendant meets the criteria set forth for pretrial detention without reasonable bail  
 3 under article I, section 12, of the California Constitution. Thus, the defendant should be admitted to  
 4 bail. Under the analysis of *Humphrey* and the cases and constitutional principles on which it relies, this  
 5 court must either grant pretrial release or set bail at an amount defendant can afford.  
 6

### 7 CONCLUSION

8 For decades, our courts have set bail in exorbitant amounts that permit release of the wealthy but  
 9 not the poor. This established practice is "a deformity in our criminal justice system that close observers  
 10 have long considered a blight on the system." (*Humphrey, supra*, 19 Cal.App.5th at 1049.) The
